INTERNSHIP EXPERIENCE

Data Analysis Intern | Cognifyz IT Solutions Pvt. Ltd.
Completed an online internship focused on data analysis using Python. Worked with restaurant datasets and performed assigned data analysis tasks to explore data and identify useful insights. Applied data visualization techniques to present findings and gained practical experience in EDA.

Data Management (MIS Executive) Intern | Shahnaz Bright Steel Industries Pvt. Ltd.
Completed an internship focused on data management and MIS activities. Gained practical exposure to real-time projects and business data handling. Developed skills in managing assignments and data tasks.

Python Programming Intern | YBI Foundation
Completed a one-month online internship focused on Python programming. Strengthened programming fundamentals through practical coding exercises and hands-on learning activities.
